# Platon Cph

Opening hours: Monday - Friday 10-16

Herluf Trolles Gade 1 st. tv. 1052 Kbh. K

## CAST

We offer castings of smaller items, for larger items contact for price. Cast in 8 kt, 14 kt, 18 kt in yellow, rose and white gold, silver and bronze. There may be a slightly longer production time for castings in 8 kt, rose gold and 18 kt white gold.

1 - 4 items: DKK 125 per item

5 - 9 items: DKK 55 per item

10 + items: DKK 45 per item

## CAST IN OWN METAL

Small cuvette: DKK 600 + price per item

Large cuvette: DKK 700 + price per item

**ATTENTION!** When casting in own metal, approx. 2.5 x the item's weight, and for heavy items, extra is required. We like to see the gold melted down to a bar before handing over.

## CASTING DAYS

Wednesday

Dropping off wax should be no later than Tuesday morning, and collection Thursday from 10am.

Friday

Dropping off wax should be no later than Thursday morning and collection Friday from 15-16pm.

## RUBBER MOLDS

Rubber molds start from DKK 375 and are priced on size.

## GOLD PLATING

We offer 24 kt gilding in two shades; warm (reddish) and cold (yellowish).

Small items: DKK 75 per item

Medium: DKK 105 per item

Large: DKK 140 per item

The above are our standard prices, but prices can vary between DKK 30 and 300 depending on the item.

**NOTE!** Items must be prepared and cleaned before gilding. Price for cleaning or, for example, removing sprues can be agreed.

## GOLD PLATING DAYS

Wednesday and Friday.

### CALCULATION OF WEIGHT

from wax to metal

925 S: wax weight x 10.6

8 K: wax weight x 11

14 K: wax weight x 14

18 K: wax weight x 16

22 K: wax weight x 18

Bronze: wax weight x 9

## METAL PRICES

Metal prices can be found on our website: [www.platoncph.dk](http://www.platoncph.dk).
